

# Capabilities Statement

## OVERVIEW

Cram Roofing began in 1986 with a clear mission: to establish long-term relationships with quality-oriented customers by exceeding their expectations. Many of our customers have been with us for 30 years or more. Cram Roofing professionals share a bond forged by service, performance and community. We have successfully installed millions of square feet of single ply, bituminous, metal and other roofing systems across the U.S. With a fleet of company-owned trucks and equipment, Cram Roofing always has the resources we need to do the job quickly and efficiently.

## FEDERAL EXPERIENCE AND SERVICES

Cram Roofing brings our own supervisors and skilled employees to all federal projects. Why? Because this approach enables us to maintain total control over all aspects of the project. Our work for the military and NASA has earned Cram Roofing numerous awards for construction excellence and safety. Our federal clients include:

- USACE
- NAVFAC
- DLA
- NSA
- FAA
- USPS
- DeCA
- NASA
- FBI
